

SOUTH WEST ACADEMY for TRIALS

If you are aged between 10 and 21, are a South Western Centre resident, and/or regularly compete in the South Western Centre Championship, you may be eligible for a position within the South West Academy for Trials in 2022/23.

Your achievements and ambitions could earn you one of sixteen available places in the Academy for the next two years, where experienced trainers will conduct 3-4 intensive training days at a variety of venues throughout the year to help you progress towards National level. So why not complete the attached form and let us know about your achievements and ambitions?

In your own words say why 'YOU' should be selected, what your further aims are, and also a little bit about yourself (enclose extra sheets with this form). Please send your completed form in by 1st February 2022 to:
